

Grower Workshop Dates Announced

Meetings set for May 11, 12, 13, 14

The Tennessee Poultry Association and UT Extension will host the second meetings in the 2009 Grower Education Seminar Series in May. The May meetings will focus on readying poultry houses for summer. A team of three Auburn University Extension poultry specialists will be among the featured presenters.

Mark your calendar

Monday, May 11	Ridley 4-H Center, Columbia, TN
Tuesday, May 12	UT Martin, Martin, TN
Wednesday, May 13	York 4-H Center, Crossville, TN
Thursday, May 14	Extension Office, Cleveland, TN

Stay tuned

Details are now being finalized for the meetings. Program start and end times will be similar to those in February and a complimentary lunch will be served. A mini trade show spotlighting program sponsors will also be a part of the event.

Pre-registration will be required. Watch your mail for a brochure with more details about the upcoming meetings. We expect to mail these in late April. Or, ask your poultry company technician for details.
